

Kolokvijum o *Pismima* Svetog Maksima Ispovednika

3. februar 2023. godine
Beograd, Institut za filozofiju i društvenu teoriju, IV sprat

Četvrti godišnji kolokvijum o svetom Maksimu Ispovedniku u organizaciji Fakulteta slobodnih umetnosti Univerziteta Károli Gáspár Protestantske crkve u Mađarskoj (Budimpešta) i Instituta za filozofiju i društvenu teoriju Univerziteta u Beogradu (IFDT) posvećen je Maksimovim pismima. Iako je celokupna epistolarna zaostavština svetog Maksima mnogo veća i uključuje i njegove najpoznatije spise, kao što su *Nedoumice*, *Mistagogiju* i *Odgovore Talasiju*, glavni fokus kolokvijuma je na pismima koje je sakupio i objavio François Combefis, i koja su uključena u J.-P. Migne-ovu *Patrologia Graeca* (PG 91, col. 364-649).

Colloquium on St Maximus the Confessor's *Letters*

3rd of February 2023

Belgrade, Institute for Philosophy and Social Theory

The 4th annual colloquium on St Maximus the Confessor organised by the Faculty of Liberal Arts of the Károli Gáspár University of the Protestant Church in Hungary (Budapest) and the Institute for Philosophy and Social Theory of the University in Belgrade (IFDT) is dedicated to the study of Maximus' Letters. Although the entire epistolary legacy of St Maximus is much larger and includes also his most known writings, such as *Ambigua*, *Mystagogia* and *Responses to Thalassisos*, the main focus of the Colloquium is Maximus' letters collected and published under this title by François Combefis, and included in J.-P.
