CURRICULUM VITAE

Aleksandar Fatić

Research Professor of Philosophy

aleksandar.fatic@ifdt.bg.ac.rs ORCID: 0000-0002-5672-7183 http://aleksandarfatic.net

RESEARCH PROFILE

Philosopher working on the logical foundations of AI ethics, applications of modal logic across jurisprudence, psychotherapy, and ethics, and the philosophy of international criminal justice. Founder of Modal Integrative Psychotherapy, a methodology that applies modal logic to therapeutic practice. Research examines the structural limits of computational approaches to human judgment in therapeutic, legal, and ethical contexts.

CURRENT POSITIONS

Research Professor of Social Science | Institute for Philosophy and Social Theory, University of Belgrade | 2013 to present

Director and Founder | Institute for Practical Humanities, Belgrade | 2015 to present

Fellow and Certified Practitioner | American Philosophical Practitioners Association | 2011 to present

EDUCATION

Ph.D. in Philosophy | Australian National University, Canberra | 1996

Postgraduate Diploma in European Studies | Central European University, Prague | 1993

M.Phil. in Philosophy | University of Belgrade | 1992

SELECTED PREVIOUS POSITIONS

Professor of Social Science | Charles University, Prague | 1998-2004

Senior Lecturer in International Studies | University of South Australia | 1996-1998

Research Fellow in Jurisprudence | University of Tasmania, Faculty of Law | 1995-1996

The Vagaries of Restorative Justice. Institute for Criminological and Sociological Research, Belgrade, December 2024. Plenary lecture.

Philosophical Pessimism and Ethical Living in Philosophical Practice. 18th International Conference of Philosophical Practice, University of Zagreb, June 2025. Plenary lecture.

Trust and Solidarity in Troubled Communities. Wissenschaftskolleg zu Berlin, November 2014.

Serbian Testing Grounds for the Concept of Organised Crime. St. Antony's College, Oxford, January 2004. Plenary lecture.

Organizer: 13th International Conference on Philosophical Practice. University of Belgrade, August 2014.

MAJOR INNOVATION

Founder of Modal Integrative Psychotherapy (MIP)

Developed a pioneering therapeutic methodology that applies modal logic to clinical practice, examining how therapeutic intervention transforms the space of possibilities available to clients. The approach integrates philosophical practice with psychotherapy and has been published with Palgrave Macmillan (2025) and Anthem Press (forthcoming 2026). Training programs in MIP are offered internationally through the Institute for Practical Humanities.

LANGUAGES

English (fluent), German (fluent), Czech (fluent), Serbian (native), Bosnian/Croatian (native)
